*"Inspiring our Students Today for Tomorrows'  
Future"*

### Course Outline 2023

**TEACHER:** Mr. Myles

#### **COURSE RATIONALE:**

Hello, it is my pleasure to welcome you to the 10-1 Social Studies program. This program has been designed to allow you to learn and explore the historical concept of **Globalization**. The focus of this program is to provide you with opportunities and challenges associated with globalization, the process by which the world is becoming increasingly connected and interdependent.

You will be able to develop an awareness of the impacts of globalization. By recognizing and appreciating the influence of **globalization**, our goal is to provide you with an opportunity to examine your role as responsible and active citizens in a globalizing world.

You will explore historical aspects of globalization as well as the effects of **globalization** on lands, cultures, human rights and quality of life. You will explore the relationships among globalization, citizenship and identity. The infusion of multiple perspectives will allow you to examine the effects of globalization on peoples in Canada and other locations, including the impact on Aboriginal and Francophone communities.

#### **Skills and Processes:**

Throughout this course, you will have the opportunity to build and strengthen the followings skills: Dimensions of Thinking, Social Participation as a Democratic Practice, Research for Inquiry and Communication. You will develop these skills and be able to respond to issues emerging in an increasingly globalized world.
