

Gr. 9 Social

GRIMSHAW PUBLIC SCHOOL

"Inspiring our students today for tomorrow's future"

Course Outline
2023-2024

TEACHER: Mr. Myles

COURSE RATIONALE:

Hello, it is my pleasure to welcome you to the Grade 9 Social Studies program. In this course, you will have the opportunity to explore the relationship between Canada's political and legislative processes and their impact on issues pertaining to governance, rights, citizenship and identity. You will also explore issues of economics and their impact on quality of life, citizenship and identity in Canada and the United States.

This course is divided into TWO MAJOR UNITS:

Unit 1: Government and Rights.

Unit 2: Economic systems in Canada & the United States.

GPS: The Right Direction

COURSE GENERAL OBJECTIVES:

Unit 1: Government and Rights.

(September – February)

- Students will demonstrate an understanding and appreciation of how Canada's political processes impact citizenship and identity in an attempt to meet the needs of all Canadians.

Values and Attitudes

You will:

1. Appreciate the impact of the Canadian Charter of Rights and Freedoms on rights and governance in Canada.
2. Appreciate the various effects of government policies on citizenship and on Canadian Society.
3. Appreciate how emerging issues impact quality of life, citizenship and identity in Canada.

Knowledge and Understanding

You will:

1. Examine the structure of Canada's federal political system.
2. Analyze the role that citizens and organizations play in Canada's justice system.
3. Critically examine the impact of the Canadian Charter of Rights and Freedoms on the legislative process in Canada.
4. Critically examine how the increased demand for recognition of collective rights has impacted the legislative process in Canada.
5. Critically examine how the legislative processes attempts to address emerging issues of immigration.

Unit 2: Economic Systems in Canada and the United States.

(Feb-June) (June – Review for Provincial Achievement Test)

- Students will demonstrate an understanding and appreciation of how economic decision making in Canada and the United States impacts quality of life, citizenship and identity.

Values and Attitudes

You will:

1. Appreciate the values underlying economic decision making in Canada and the United States.
 2. Appreciate the relationship between consumerism and quality of life.
 3. Appreciate the impact of government decision making on quality of life.
- 

Knowledge and Understanding

You will:

1. **Compare** (how they are similar) and **Contrast** (how they are different) Market and Mixed economies.
2. Critically examine the relationship between consumerism and quality of life in Canada and the United States.
3. Critically examine the interrelationship between political decisions and economic systems.
