Cosmetology Overview

Cosmetology is offered as a module based CTS course. COS1010 is a prerequisite and must be completed with a passing mark of 50% before other modules can be credited.

Modules will be marked based on:

- Practicum - 60% (hands on projects)
- Written - 40% (assignments/quizzes/tests)

Cosmetology Rules

Cosmetology has placed some rules and guidelines to follow to help us keep our program running and help us grow in the future. We ask that you follow these simple rules to help our year go by smoothly and allow this class to be as much fun for everyone as possible. We ask that you have respect for your classmates, presenters and for any tools and equipment being used during class time.

- Any tools broken or wrecked during class time will need to be fixed or reported to the teacher during class time.

General Expectations

Students are expected to abide by the following expectations:

- Regular attendance and participation - to be successful in Cosmetology, the student must be attending classes and completing the work associated with learning the concepts and skills of the course. Besides a daily demonstration of a willingness to participate in class activities and exercises, the student who attends regularly, and shows a consistent, conscientious effort towards the course material will do well here.
